Dealer Comments

Some things are too hard to pass up. The Ford Fusion is a mid-sized sedan and must therefore compete in an incredibly competitive segment, going up against heavyweights such as the Toyota Camry and Honda Accord.. Stop by the showroom today to give her a test drive. Soft and luxurious leather seating. You don't have to drive all over town...we have the car you need in stock. Premium 'turn-by-turn' navigation system included. The vehicle has an EPA estimated fuel rating of 29 MPG combined. You'll also love this Fusion's backup camera, keyless entry, security system, cruise control and airbags.
